

APC Back UPS [BX2000UXI] - Specifications

Brand Name	APC
Cord Length	0.46meters
Type	Back-UPS
Storage Temperature	0 - 45 Degree C
Weight	13.4kg
Warranty	2 years repair or replace
Applications	Computer and Peripheral
Control Panel	LED Status display with On Line : On Battery
Package Includes	User Manual , Warranty card
Model	APC Back UPS [BX2000UXI]
Shipping Weight	14.3kg
Operating Environment	0 - 40 Degree C
Max Height	220mm , 22.0cm
Topology	Line Interactive
Operating Elevation	0-900meters
Nominal Input Voltage(s) Supported	230V
Nominal Output Voltage(s)	230V

Supported	
Storage Elevation	0-900meters
Max Depth	392mm , 39.2cm
Max Configurable Power	1.2 KWatts / 2.0 kVA
Waveform Type	Stepped approximation to a sinewave
Operating Relative Humidity	0 - 95 %
Output Frequency Not Syn	50Hz +/- 1 Hz
Storage Relative Humidity	0 - 95% no %
Max Width	145mm , 14.5cm
Audible Noise At Meter	50.0dBA
Full Load Efficiency	92.0 %
Shipping Width	235mm , 23.5cm
